

# IT INFRASTRUCTURE SPECIALIST

**FULL TIME - ISN 25-30 (Actual Salary £25,703 - £28,426)** salary level from 1 April 2019

We are looking for an enthusiastic and progressive IT Infrastructure Specialist to join our dynamic team of three. You will be responsible for the day-to-day running of the IT infrastructure and for endpoint security. You will have responsibility for monitoring safeguarding issues, plus provide second line technical support to staff and students. The ideal candidate will have four years of professional IT experience, a strong knowledge of hardware and software and show a real passion for technology.

A role profile and person specification are available from the Headmaster's PA - Vanessa Kennedy ([vkennedy@ags.bucks.sch.uk](mailto:vkennedy@ags.bucks.sch.uk)).

**Please apply to the Headmaster at the school using the support staff application form on the school's website, including your CV and giving the names and contact details of 2 professional referees.**

**Closing date for applications: Noon on Wednesday 27 March 2019**

The School reserves the right to appoint a candidate to this post at any stage in the selection process.

AGS is committed to safeguarding and promoting the welfare of children and young people and expects all staff and volunteers to share this commitment. Successful candidates will be required to apply for an Enhanced Disclosure check by the Disclosure and Barring Service. Aylesbury Grammar School is an equal opportunities employer.
