

AYLESBURY
GRAMMAR SCHOOL
Founded 1598

Purpose

To inspire and enable all our students to flourish throughout their lives

Promise

To nurture character so our students can define for themselves their place in the world

Our Values

The School has two fundamental values, which are Respect and Aspire, and which we all engage and live by

Respect

Respecting ourselves, our peers, and our community

Aspire

Aspire to achieve the best in our learning, in our relationships and in our wider community and life

Vision

We will be true to our foundation as a free school for Aylesbury giving every student irrespective of background and circumstance an opportunity to flourish.

We will provide an education for each and every student which is unparalleled in breadth and quality of opportunity, striving to become international leaders in academic and pastoral development.

As a result, we will be the school of choice for families, preparing our community to succeed in the modern world.
