GUIDANCE NOTES:

Section 1

Normal home address

For admission purposes this must be a residential property that is your child's only or main residence. It cannot be an address at which your child may sometimes stay or sleep due to your domestic arrangements. The property must be owned, leased or rented by the child's parents or person with parental responsibility. A child's normal home address is where they spend most of the week, unless it is accommodation at a boarding school. To avoid doubt where a child lives with parents/carers (with or without parental responsibility) whether for part of a week, or month, the address where the child lives will be determined by confirmation of the registered address to which Child Benefit is currently being paid.

Section 3

a) SEND & EHC Plans

This is a document written by the local authority detailing the needs that a child has in learning at school, and the measures which the school will take to help them. Children who qualify and who have an Educational Health and Care Plan (EHC) will be admitted prior to the application of the admission rules.

b) Looked after children

Looked after or previously looked after means children who are currently or have, at any stage of their lives, been in public care (as defined more fully in the School Admissions Code).

d)-f) Siblings

A Sibling is a brother or sister. For admission purposes, we mean one of two or more individuals who have one or more parents in common, or any other child (including an adopted child) who permanently lives at the same address and for whom the parent also has parental responsibility.

g) Exceptional needs

These will only be considered if evidence is provided. If you think your child has a disability as defined in the Equality Act 2010 and you have decided on your application with this in mind, please give us more details. Add a separate sheet if necessary.
