

## SCHOOL ASSESSED GRADES

Final School Assessed Grade			
Pillar One	Pillar Two	Pillar Three	Pillar Four
Interim School Assessed Grade	Internal Assessment	Summer Assessment	Non-Exam Assessment
Evidence from across the course up to 8 March 2021.	Assessment under examination conditions in March 2021	Assessments, potentially using exam board materials, to provide opportunity for further evidence	Subjects that have an NEA will be able to use this.
<p>Subjects will have at least two pillars, preferably three, and potentially four. Weighting of these elements of the evidence base decided by each department and clearly identified in their individual department rationale document.</p>			
<p><small>**Any special consideration will be applied directly to pillars two, three and four and where appropriate to pillar one. ***Individual consideration of students will be applied on a case by case basis, however, evidence will be used throughout.</small></p>
