"Find out what you like doing best and get someone to pay you for doing it."

—Katherine Whitehorn CBE

Rewriting Careers in Rail

Understanding the job market

Amongst the misconception that careers within the rail industry consist solely of manual work, is also the notion that they belong only to the boys. Consider the patriarchy smashed when we tell you that rail is a truly welcoming and inclusive place for all to work. Historically, it has been male dominated and labour focused but today, we have seen a vastly increasing number of women undertaking...
