Dear candidates,

Thank you for your interest in Aylesbury Grammar School. I am delighted you are considering being a part of our School. As a member of our team, you would play a pivotal role in supporting the School to deliver an uncompromised curriculum and life enriching opportunities, together with extraordinary care and support.

As a School, we are expertly placed to enable our students to flourish whilst also ensuring they are well equipped to understand and meet the challenges they face with empathy and humility. Our staff know and understand each student to enable them to find their place in the world.

We have a School community of 1336 students, including over 400 in the Sixth Form. We employ over 140 staff across the School who are all committed to a culture of innovative teaching, learning and achievement through their pioneering expertise and with enviable support from the Governing Body, AGS PTA, the Old Aylesburian and wider Aylesburian community. Our team is diverse with a healthy mix of youth and experience, with relationships between staff, students, and with parents, extremely positive and caring.

Key to this are our core values of respect for ourselves, our peers and our community, whilst aspiring to achieve the best we can in our relationships and our interests.

Aylesbury Grammar School has occupied the current site in the centre of Aylesbury since 1907 and is a long-standing part of the community. We have an innovative and ambitious School Development Plan to continuously evolve and improve. We benefit from an aspirational refurbishment plan which has included a new Science Centre with 15 state of art Science Laboratories, new Sixth Form Centre, Library, Health and Fitness Suite, and work on the extensive refurbishment of the Art, DT and Engineering building, alongside the new School entrance area. Most recently, we have completed work on an ambitious project to deliver a new 3G pitch at the heart of our School, transforming the proposition for Sport and PE at AGS.

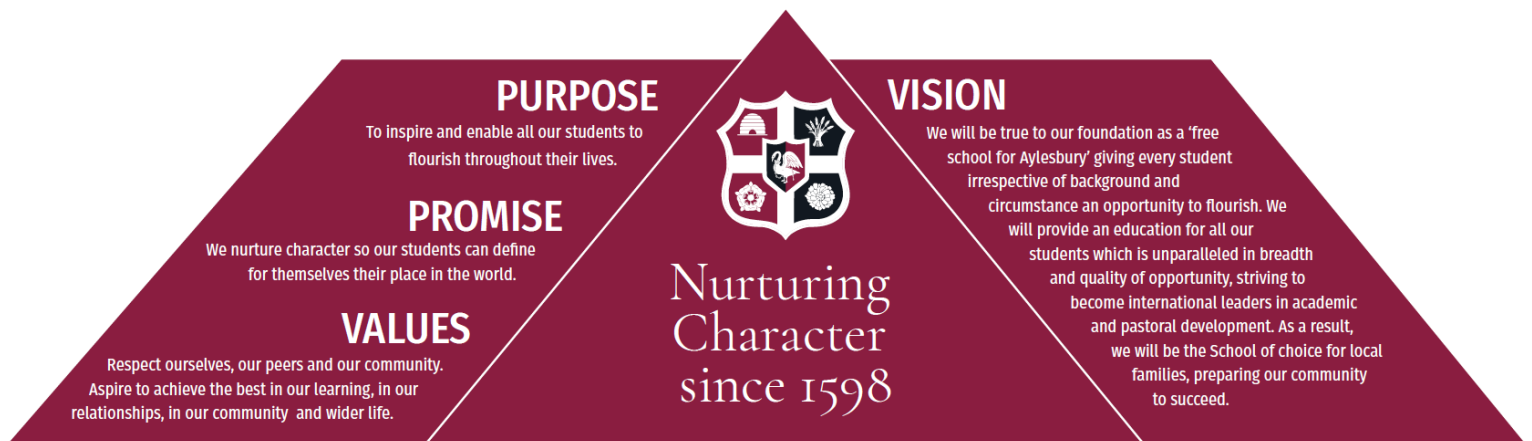

We are a School proud of its past but positioned to define its future. With 425 years of history, we are forward-thinking and dynamic with a focus on exceptional learning and teaching, enrichment, and the development of our staff.

There is a selfless commitment amongst those who work here, and we welcome applications from high-calibre, positive and motivated people.

Kind regards  
Mark Sturgeon  
Headmaster

# Our School

## Floreat Ailesburia

Founded by Sir Henry Lee in 1598, Champion of Queen Elizabeth I, Aylesbury Grammar School was a 'free School for Aylesbury' with the vision to promote the local area to flourish through educating its young people.

In 1907 the School moved to its present site and became co-educational. In 1959 the creation of Aylesbury High School meant the girls moved next door and Aylesbury Grammar School returned to being a boys' School.

Despite the separate site, our strong links with our sister School remain and provide a unique opportunity for our boys to grow up in their formative years in the company of their female counterparts, whilst also benefiting from the advantages of focused learning amongst their peer group.

This unique collaboration provides a sensitive, mature and well-rounded interaction for our students to develop a true sense of character and to flourish in today's world.

## Pioneering Expertise

Employing exceptional staff is the backbone to inspiring our young people to explore for themselves who they want to be and to find their place in the world.

We aim to recruit members of staff who are leading practitioners in their fields or who show outstanding potential. As well as appointing experienced staff, we also train those new to the profession recruited directly from university or those who have been successful in another career and seek a new challenge.

Professional development is at the heart of our approach. Time and resources are available to our staff whatever the stage of their career.

We use professional research and pioneering expertise both in and outside the School. We collaborate with international partners and always look to improve the School, ensuring it is uniquely placed to prepare the next generation of students and staff.

## Belonging and Camaraderie

Our well-established House System provides a sense of ownership, belonging and a healthy level of competition and camaraderie.

It has a hugely positive impact on our community and for our students in their academic work, extra-curricular contribution and development into authentic, empathetic and resilient young adults.

For our staff, who are assigned to a House, it provides a shared sense of belonging, loyalty and camaraderie.

## Life Enriching Opportunities

We actively promote self-discovery through participation, as well as encouraging the students to attempt new and unfamiliar activities to broaden their horizons.

These life-enriching opportunities are extensive with clubs and activities taking place enhancing classroom learning and enjoyment.

Our colourful range of music, drama, performing arts and clubs/societies provides all students with the opportunity to participate, to collaborate and be part of School life.

# Our School

## Self-Discovery through Participation

Physical activity is key to maintaining a healthy, active, balanced lifestyle, supporting physical and mental well-being. Our sports clubs and practices are open to all students, irrespective of ability and passion promoting a selfless commitment to their chosen sport.

Whether an elite, representative, House or recreational sportsman, the School encourages and provides opportunities for everyone to participate. School teams and matches involve a large number of students and nearly all students participate in the vast programme of House sports competitions.

Our offering is extensive ranging from cricket, handball, badminton, athletics, rugby, football, swimming, squash, tennis, basketball, and cross country.

## Achievements

We are proud and remain humble that our School is consistently celebrated as one of the top state schools in the country – recently the top performing grammar school in Buckinghamshire for Value Added at A Level.

In Key Stage 3, GCSE and A Level, our students make outstanding progress and are prepared for the next stage of their education or chosen career with confidence.

The uncompromised breadth of the curriculum available enables all students to pursue the widest range of careers and studies at university or in the workplace. Through exceptional advice and guidance our students leave the School with aspirations to the most highly ranked courses and careers, at organisations and universities across the country where they will feel fulfilled and happy.

Application forms are to be found on the School website under Vacancies.

The Role Profile sets out the role, tasks and responsibilities to be undertaken by the successful candidate. It is a written statement of what is expected by the post holder.
